‡ Available only in the 48 contiguous United States. The first 90 days of real-time traffic are compliments of Acura.

RDX Awards

DON'T JUST TAKE OUR WORD FOR IT.

The new midsize SUV with Acura's first turbocharged engine is not only getting rave reviews for its sporty handling and sleek styling, it has been honored for its safe passage, too.

"Top Safety Pick"

Acura is the only luxury automobile manufacturer to have all its models declared an Insurance Institute for Highway Safety (IIHS) "Top Safety Pick." Each earned IIHS' highest rating for frontal offset, side, and rear impact tests.

"Fifteen Safest SUVs"

Forbes.com place the Acura RDX at the top of the list with the only "much better than average" SUV Accidental Avoidance Rating

"Frontal Five-Star Rating" "Side Five-Star Rating"

Five-Star is the Highest Safety Rating for Frontal and Side Crash Tests of NHTSA's New Car Assessment Program.

‡ Available only in the 48 contiguous United States. The first 90 days of XM® Satellite Radio are compliments of Acura.

§ Based on 2009 EPA mileage estimates, reflecting new EPA fuel economy methods beginning with 2008 models. Use for comparison purposes only. Do not compare to models before 2008. Your actual mileage will vary depending on how you drive and maintain your vehicle.

∅ Using gasoline with an octane lower than 91 octane may cause damage to the engine. Please consult the owner's manual for details.

** Ordinary maintenance items or adjustments, parts subject to normal wear and replacement, and certain other items are excluded.

†† When installed at the time of new-vehicle delivery.

‡‡ May vary with driving conditions. Does not apply to fluid and filter changes or periodic inspections. Please refer to the maintenance section of your owner's manual to determine all appropriate maintenance intervals.
