*This vehicle eBrochure is designed to identify vehicles commonly available in your area. If you would prefer to purchase a vehicle with no options or additional options, please contact your local dealer to check for current availability or the possibility of placing an order for such a vehicle.

**Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$750 for Cars and \$800 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

*** 2009 EPA-estimated mileage. Actual mileage will vary.

Warranties / Disclaimers

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: For accessories purchased at time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle's in-service date, which is the same coverage as the Basic coverage of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle's in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customer (non-dealer)-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

DISCLAIMERS

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A. vehicles only.

[1] Tachometer standard on manual transmission only. Available on Sedan with automatic transmission and Power Package.

[2] Satellite radio requires XM- or Sirius-compatible receiver and monthly service fee. See your Toyota dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at www.xmradio.com or www.sirius.com. Available only in the 48 contiguous United States.

[3] iPod® is a registered trademark of Apple, Inc.

[4] Standard with Power Package on Sedan and Sedan S.

[5] All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings.

[6] The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details.

[7] The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high security key services at www.aloa.org.

[8] Requires Power Package.

[9] Rear defroster standard with Convenience Package. All-Weather Guard Package also available without rear defroster. [10] Power Package also available with 15-in. steel wheels with full covers.

[11] 25.7 cu. ft. with available 60/40 split fold-down rear seat.

[12] 2009 EPA-estimated mileage. Actual mileage will vary.
