

# 2009 AQUATRAX F-15X

*Turbocharge your  
weekend fun with an  
AquaTrax F-15X.*

**AQUATRAX F-15X** Honda's Aquatrax® F-15X is the perfect choice for on-the-water fun. Why? This three-passenger beauty is packed with the features and engineering you'd expect from a Honda. Featuring a 1470cc fuel-injected and turbocharged four-stroke powerplant, the F-15X rocks on the waves. The hull is an ultra-stable design, specially tuned for superb low- and high-speed maneuverability. In other words, the F-15X shreds. And all without sacrificing creature comforts like plush, UV-resistant foam seating, ample on-board storage, programmable keyless ignition, and two eye-catching color schemes to choose from. Best of all, It's A Honda.

## UNIQUE FEATURES

- Lightweight, liquid-cooled, DOHC, 16-valve, 1470cc, fuel-injected, dry-sump, four-cylinder engine features a one-piece upper-crankcase/cylinder block engineered to withstand the rigors of marine duty.
- A water-cooled IHI turbocharger with water-cooled intercooler provide both exceptional performance and long turbo life.
- Axial-flow single-stage Solas 155mm jet pump with three-blade impeller is precisely matched to the engine power characteristics. A proprietary Honda impeller design and ECU control of the turbocharger wastegate minimize pump cavitation, resulting in quiet operation and extended impeller life.
- Strong, lightweight fiberglass reinforced plastic (FRP) hull and deck are permanently joined and sealed at the gunwale, providing the AquaTrax with a distinctive and attractive profile.
- Raised hull bond-line design aids in docking and provides excellent splash protection.

## SPECIFICATIONS

Model ARX15T3

### ENGINE

Engine	1470cc DOHC liquid-cooled dry-sump inline four-cylinder with intercooled turbocharger
Compression Ratio	8.5:1
Induction	Self-diagnostic PGM-FI system with automatic starting enrichment circuit
Bore & Stroke	79 x 75mm
Ignition	Computer-controlled digital with three-dimensional mapping

### DRIVE TRAIN

Pump	Axial-flow single-stage 155mm jet pump with reverse
Hull	Fiberglass-reinforced plastic (FRP) outer hull, inner hull and deck
Transmission	Direct shaft drive

### DIMENSIONS

Storage Capacity	23.1 gallons
Length	133.8 inches
Width	49 inches
Height	42.4 inches
Seat Height	49 inches
Curb Weight	955 lbs.
Fuel Capacity	18.5 gallons, with low-fuel warning

### FACTORY WARRANTY

One Year	Unlimited-mileage limited warranty; extended coverage available with a Honda Protection Plan.

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

All Honda AquaTrax models are recommended only for operators 16 years of age and older. Always wear a U.S. Coast Guard-approved personal flotation device, neoprene wetsuit bottom, eyewear and other appropriate safety apparel. Read your owner's manual thoroughly, always ride with a safety lanyard attached to your person, and always ride at a safe speed and at a safe distance from other vessels. And remember, riding doesn't mix with alcohol or drugs. Whenever you ride, please respect the rights of shoreline residents and other marine recreationalists. And we should all work to preserve our future riding opportunities by showing respect for the environment and the rights of everyone on the water. Operating your PWC with a modified engine or emission-control system may be illegal. For more information visit [powersports.honda.com](http://powersports.honda.com).
