

TERRAIN DOMINATION

POLARIS

POLARIS 600 IQ

EXPERIENCE TRUE TERRAIN DOMINATING CONTROL

For 2010, Terrain Dominating Control is available in six high-performance choices. Grab as much power as you need, in a package as basic or tricked out as you want. From the 550 IQ Shift — the industry's best value — to the all-new 600 RUSH and ultra high-performance 800 Dragon IQ. At every level, Polaris is the factory of unsurpassed ride and handling.

The IQ fully coupled rear suspension features a RydeFX® IFP gas shock up front and a Fox®† PS5 rear-track gas shock, creating 13.9" (353.1 mm) of travel. And, the 600 IQ has our trail-proven 1 inch HackSaw track.

LIGHTWEIGHT FRONT END

The front end on the 600 IQ features lower a-arms with link-type sway bar, lightweight spindles and a bumper system that's lighter, narrower, with updated styling and greater durability.

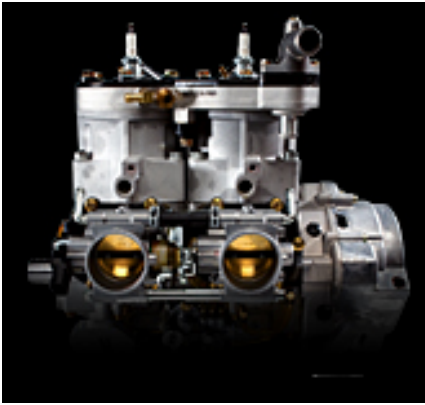

IQ FRONT SUSPENSION

At the heart of the legendary Polaris ride and handling is the IQ IFS. It delivers unmatched stability, agility and rider confidence.

SCULPTED SEAT & TANK

A lightweight freestyle seat allows for aggressive cornering and easy stand-up riding.

LIBERTY 600 CFI

Featured in all 600 models for 2010, this engine is one of the strongest in its class, with improved run quality, cleaner emissions and outstanding fuel economy.
