POLARIS 800 DRAGON IQ

EXPERIENCE TRUE TERRAIN DOMINATING CONTROL

Arm-stretching torque. Incredible mid-range power. Terrain Dominating Control. The 800 Dragon IQ is the ultimate muscle sled. Last year, Sled Head 24/7 named it "Performance Trail Sled Of The Year." This year, you'll call it the best high performance ride of your life. It features our Liberty 800 engine with Cleanfire Injection. Adjust the handlebar hooks to your liking, grab the flat racer bars and pin it. The 800 Dragon IQ comes straight from the factory with all the latest high-tech performance features already installed. For even faster starts, add optional electric start.

Featuring Dragon IQ-specific torque arms, lightweight rails, and Walker Evans™ compression-adjustable remote-reservoir shocks, it's built to handle the gnarliest bumps, ditches and jumps — and is completely tunable by you.

WALKER EVANS PIGGYBACK SHOCKS

The 800 Dragon IQ features Walker Evans™ † compression-adjustable shocks on the front suspension, allowing you to easily tune their performance to your riding style.

SCULPTED SEAT & TANK

Integrated into the tank, a lightweight freestyle seat has outstanding ergos, including narrow sides for aggressive cornering and easy stand-up riding.

LIGHTWEIGHT FRONT END

The front end on the 800 Dragon IQ features lower a-arms with link-type sway bar, lightweight spindles and a bumper system that's lighter, narrower, with updated styling and greater durability.

LIBERTY 800 CFI

Pumping out exceptional torque and top-end, this mono-block twin is the new standard in on-trail and off-trail muscle. It features Cleanfire Injection® for crisp acceleration and awesome mid-range power.
