

TERRAIN DOMINATION

POLARIS

POLARIS IQ TURBO DRAGON

EXPERIENCE TRUE TERRAIN DOMINATING CONTROL

For 2010, Terrain Dominating Control is available in six high-performance choices. Grab as much power as you need, in a package as basic or tricked out as you want. From the 550 IQ Shift — the industry's best value — to the all-new 600 RUSH and ultra high-performance 800 Dragon IQ. At every level, Polaris is the factory of unsurpassed ride and handling.

The IQ Turbo Dragon features an upgraded track: the 121 inch RipSaw track with 1.25 inch lugs.

WALKER EVANS W/REMOTE RESERVOIR

The IQ Turbo Dragon features Walker Evans™ † compression-adjustable shocks on the front suspension, allowing you to easily tune their performance to your riding style.

ELECTRIC START

Why tug on a rope when you can turn a key? Electric start is standard equipment, making every ride more enjoyable.

DRAGON REAR SUSPENSION

Featuring Dragon IQ-specific torque arms, lightweight rails, and Walker Evans™ compression-adjustable remote-reservoir shocks, it's built to handle the gnarliest bumps, ditches and jumps — and is completely tunable by you.

TURBO CHARGED FST

Polaris 4-stroke engines deliver quiet, reliable performance, low maintenance and longer rides between fuel stops.
